Add a Layer of Whipped Mascarpone. +\$5.

DECOR NOTES

Our cakes come masterfully decorated with fresh florals, greens, meringue, and buttercream. Each of our cakes is one-of-a-kind, as our naturally-inspired decor changes from week to week based on market availability. Each day brings completely different and visually unique cakes.

Please note that we don't offer themed or fondant cakes. And while we don't offer custom cakes with specific decor, we do offer colored buttercream on the exterior for +\$10 if you are looking for some customization.

ORDER NOTES

We require a minimum of 7 full days notice for orders. And while we would love to accommodate all orders, we often book up early, so please plan ahead! Cake orders can be picked up Wednesdays through Sundays starting at 11am.
